Dear Mr. Lappalainen,

I am writing on behalf of NSF Euro Consultants - a private company contracted by the European Commission to implement training sessions within the Better Training for Safer Food (BTSF) initiative under Project **Audit of authorised recycling processes for plastic food contact materials in the scope of Regulation (EU) No 282/2008 (superseded by Commission Regulation (EU) 2022/1616)**. The training is fully funded by the European Commission.

We are pleased to invite you, by means of this e-mail, to participate in **training session 2** for Phase 2 of this course. The training will take place in **Bologna, Italy**, in the period **3-6 June 2025**. NSF Euro Consultants will handle all logistical aspects, including accommodation, catering, airplane ticket, and transfers. The participants will be staying at the [Hilton Garden Inn Bologna North](#) (Via S. Donato, Quarto Inferiore, 40057, Italy), where the training itself will take place. More information about the logistical aspects is available in the attached **Participants Guide**.

Please confirm your attendance by replying to this email.

In order to proceed with the arrangements of your participation, we will need your cooperation for the following:

1. Please fill in and send back to us the attached **Excel Registration Form**.
2. Please complete, sign, and return the attached **Personal Data Consent Form**.
3. In order to grant you access to the BTSF Academy course page, please create your **EU Login account** via [Create an account](#) and send back to us your **UID (Unique identifier at the Commission)**. If you already have an EU Login account and have been registered in the BTSF Academy previously for another course, then you have to first migrate your account via [EU Login migration aid](#) and then send your **UID**. More information is available [here](#).

We would appreciate it if you send the first two documents as soon as possible, as they are needed for the logistics of the training, incl. travel. You can create/migrate the EU Login Account and send the UIDs in the next 10 days.
